

**STATEMENT OF IMPLIED WARRANTY REQUIRED BY
SECTION 2L OF THE ILLINOIS CONSUMER FRAUD ACT**

BUYER(S):	Date of Sale
Buyer Name	Vehicle
Co-Buyer Name	VIN

Illinois law requires that this vehicle will be free of a defect in a power train component for 15 days or 500 miles after delivery, whichever is earlier, except with regard to particular defects disclosed on the first page of this agreement. "Power train component" means the engine block, head, all internal engine parts, oil pan and gaskets, water pump, intake manifold, transmission, and all internal transmission parts, torque converter, drive shaft, universal joints, rear axle and all rear axle internal parts, and rear wheel bearings. You (the consumer) will have to pay up to \$100 for each of the first 2 repairs if the warranty is violated.

This Statement does not apply to any of the following:

- (1) a vehicle with more than 150,000 miles at the time of sale;
- (2) a vehicle with a title that has been branded "rebuilt" or "flood";
- (3) a vehicle with a gross vehicle weight rating of 8,000 pounds or more;
- (4) a vehicle for which the odometer certification states "not the actual mileage" or "mileage is in excess of its mechanical limits";
- (5) a vehicle that is an antique vehicle, as defined in the Illinois Vehicle Code, or that is a collector motor vehicle; or
- (6) the sale of any vehicle for which the dealer offers an express warranty that provides coverage that is substantially equal to or greater than the limited implied warranty of merchantability required under Section 2L of the Illinois Consumer Fraud Act.

An implied warranty of merchantability does not extend to damage that occurs after the sale of the used motor vehicle that results from off-road use, racing, towing, abuse, misuse, neglect, failure to perform regular maintenance, and failure to maintain adequate oil, coolant, and other required fluids or lubricants.
